## Marine Hull Insurance for Pleasure Craft: Summary of Coverage

### What is the purpose of this type of insurance?

Marine Hull Insurance for Pleasure Craft from Trade Union is designed to give you a feeling of freedom on the water in your yacht, motorboat or sailboat. It is designed to protect you and your personal effects against loss or damage due to collision and has the added benefit of providing you with liability coverage against injury to any of your guests on board.

### What do you Mean by Pleasure Craft?

We define pleasure craft as any small water vessel, generally of local origin, built of steel, wood or fiberglass which are not subject to classification. Normally such crafts are used in inland waters, coastal ports or within port areas. Certain vessels used for commercial activity would also fall under this category, smaller boats that are chartered out for hire, for example.

### What are the benefits of Trade Union's Marine Hull Insurance for Pleasure Craft?

Marine insurance is where Trade Union excels; we currently insure hundreds of private water craft along the shores of the Kingdom of Saudi Arabia and have been doing so since our creation over 25 years ago.

Typical Trade Union Marine Hull policies run for a 12-month period and can be automatically renewed on an annual basis. Coverage generally includes protection against loss or damage caused by:

- Perils of the sea, rivers, lakes or other navigable waters
- Fire, explosion
- Violent theft
- Jettison
- Piracy
- Crew negligence
- Collision
- Passenger liability (optional)
- Liability for water skiers (optional)

### What information do you need from me to provide me with a quote for coverage?

- Complete documentation of you and your vessel will be required. In general, we need the following:
- Your profile, including your experience on the water.
- Details of the vessel itself, including the builder and engines.
- Details of the vessel's home port and moorings.
- Details of any inspections or surveys.

### What do I do if I would like a tailor-made Marine Hull Insurance policy?

As with any class of insurance, Trade Union specializes in tailoring policies to your company's specific needs. It's what we do best. Just call or email us and we will get back to you, usually within one business day.
